

# **East Africa Regional Conference of the African Socialist International**

# **ASI**

Around the world, African people are involved in struggles to overturn the parasitic relationship imposed by the U.S. and Europe that causes the suffering of Africa and her dispersed people.

The African Socialist International (ASI) is hosting its first Eastern Africa Regional Conference in Nairobi, Kenya. The African Socialist International is the organization uniting the separate struggles of African people into one international process and organization capable of providing the tactics and strategies necessary to surmount the challenges confronting African unity and liberation.

Attend the Eastern Africa Regional Conference and be part of the worldwide movement to unite and liberate our Africa!
