

RESOLUTION NO. _____

A RESOLUTION OF THE AFRICAN PEOPLE SOCIALIST PARTY BAHAMAS HELD ON NOVEMBER 24TH 2013; TO COMBAT THE IMPERIAL AND NEO-COLONIAL RULE OF FOREIGN CAPITALISTS AND THE BLACK PETIT-BOURGEOISE IN THE BAHAMAS BY BUILDING THE AFRICAN PEOPLES SOCIALIST PARTY BAHAMAS AS THE REVOLUTIONARY PARTY OF THE AFRICAN WORKING CLASS IN THE BAHAMAS.

WHEREAS, despite the fact that in the General Election of May 2012 the Progressive Liberal Party and Free National Movement both campaigned on bringing peace and prosperity for all in the Bahamas, the gap between the haves and the have-nots in the Bahamas has increased, with the African working class still exploited and oppressed.

WHEREAS, European imperialists and the African petit- bourgeoisie in the Bahamas continue to work together to keep the African working class in social and economic misery.

WHEREAS, the only solutions that the African petit- bourgeoisie leadership offers to the current economic and social crisis are holidays and cultural events that promote Bahamian nationalism which is only petit-bourgeois nationalism in the Bahamas and the development of European enforced policies called structural adjustment policies, which lead to the privatization of social services and basis utilities, and the further underdevelopment of the African working class in the Bahamas.

WHEREAS, after the General Election of May 2012 nothing has fundamentally changed for Africans in the Bahamas and the African working class is still being oppressed and exploited by foreign and national capitalists.

NOW, THEREFORE, BE IT RESOLVED BY THE AFRICAN PEOPLES SOCIALIST PARTY BAHAMAS ON THIS 24TH DAY OF NOVEMBER 2013;

SECTION ONE: The African People's Socialist Party stands in total opposition to imperial and neo-colonial rule and leadership in the Bahamas and other countries where Africans are dispersed throughout the Caribbean, and the world.

SECTION TWO: The African People's Socialist Party will do all within our power to emancipate all African people and build the African nation.

SECTION THREE: That toward this end the African People's Socialist Party will build the African Peoples Socialist Party in the Bahamas as the true voice for the African working class in the Bahamas.

SECTION THREE: That this Resolution shall be in full force and effect immediately upon its adoption and approval in the manner provided by the Constitution of the African People's Socialist Party and the Rules of Procedure of this Congress.
